

BORBÁLA KISS

UI / Visual Designer

WORK EXPERIENCE

ACCENTURE SONG | Prague

Digital Product Designer, 2022. 04. - present

Working as a full time digital product designer, I am mainly responsible for the UI of automotive products. Working together with clients such as smart and Audi on their responsive websites.

DOCLER HOLDING | Budapest

UI / Visual Designer, 2020. 08. - 2022. 04.

Working as a full time UI / Visual designer my tasks involved improving the UI of highly visited streaming websites such as LiveJasmin.com and Oranum.com. Creating logos, banners, digital drawings and stickers, print materials such as flyers, printed magazine ads, business cards, PR gifts.

CYMETRIQ STUDIO | Budapest

Graphic Designer, 2019. 09. - 2020. 09.

Working as a full-time graphic designer I created social media content, illustrations, digital banners. I was working on print designs, brochures and packaging designs. I had the opportunity to work on my photography skills by creating product and creative brand photos for our partners.

MEDIAPOINT | Aalborg

Graphic Designer Intern, 2019

During my 5 months long professional internship I was working on printed magazine ads, illustrative print materials and social media content.
